

Directions to INTRAC

Travelling west out of Oxford city centre go down the Botley Road towards the railway station. After you pass the station on your right, go under the railway bridge and then over two hump-backed bridges. Immediately after the second of these two bridges, turn left at the traffic lights onto Ferry Hinksey Road. Go nearly to the end of this road until you get to a mini roundabout, and turn left into Osney Mead. You will see the Hertz car hire centre (yellow sign) on your left. Turn left into our drive (through the iron gates) directly after the Hertz building. Our offices are the right side of the building at the end of the drive.
